

EIRESCOTT's GRAIL

FINAL EDITION

A

SYSTEM TO BEAT BACCARAT

AND

CRAPS' PASS or DON'T PASS BETS

FOR SOME MEMBERS THIS IS MOSTLY A REFRESHER

THIS IS THE SYSTEM I WOULD SELL – IF I WERE SELLING IT – FOR \$1000.

FEEL FREE TO COMMISSION ME IF YOU SELL THIS AND FEEL FREE TO COMP ME AS WELL AS – OR INSTEAD OF – THE DEALER!

THE GRAIL IS BASED-ON PROBABILITY MATHEMATICS THAT SHOWS US SOME INTERESTING RESULTS VIS-A-VIS THE BIRTHDAY PARADOX.

WE ARE LOOKING TO MATCH ONE OF 3 POSSIBLE SETS, WITH FOUR SETS, THAT HAVE BEEN SET BEFORE THE SETS THAT ARE TO BE DEALT.

EACH SET HAS 3 ELEMENTS. FOR BACCARAT, THE ELEMENTS ARE EITHER “P” OR “B”

THERE ARE 8 POSSIBLE COMBINATIONS OF “P” AND “B” THEY ARE:

PPP

PPB

PBP

PBB

BBB

BBP

BPB

BPP

THERE ARE 16,777,216 COMBINATIONS THESE COULD APPEAR-IN AS GROUPS OF 8.

YOU WILL HAVE A TEMPLATE OF SEVERAL PRE-ARRANGED – NON-SIMILAR [DIFFERENT] – SETS [SEE APPENDIX I] TO USE AS SETS TO MATCH **ONE OF** THE NEXT 3 SETS TO BE MADE FROM A SHOE.

YOUR PRE-ARRANGED SETS WILL LOOK LIKE THIS; AND FOR THE MOST PART WILL BE DIFFERENT FROM EACH OTHER:

PPP BPB BPP BBB
BPP BBP BPB PBB
PBP BPP BBB BPB
BPB PBP BBB PBB
BPP BBB PPP PPB
PPP BPP BPB BBB
BPB BPP BBB PPP
BPP BPB BBB PPB

THE ABOVE EXAMPLE WOULD BE ENOUGH TO DO THE AVERAGE 8-DECK SHOE WITH 72 HANDS OF “Ps” AND “Bs”

STARTING WITH THE FIRST GROUP OF 4, YOU WILL TRY AND MATCH THE 5TH SET – WHICH IS THE FIRST SET OUT-OF THE SHOE – WITH THESE FIRST PRE-ARRANGED FOUR SETS OF YOUR TEMPLATES' LIST.

YOU WILL ONLY BET ON THE LAST ELEMENT - WHEN YOU CAN - UNLESS YOU HAVE AN **LLM_x** SITUATION [SEE FURTHER-ON ABOUT THE **LLM_x** BETS]

-- YOU WILL NOT BE BETTING EVERY HAND.

-- YOU WILL ALWAYS BET ON THE LAST ELEMENT WITH THE PRELIMINARY BETS [LLM_x WILL VARY]

-- YOU WILL INCREASE AND DECREASE YOUR BETS BY 10% OF YOUR BASE BET AMOUNT EACH LOSS AND WIN RESPECTIVELY.

-- LLM_x BETS ARE TREATED AS SEPERATE AND DIFFERENT BETS.

TO BET, LOOK AT THE FOUR PRE-ARRANGED SETS AND THE FIRST TWO ELEMENTS THAT ARE DEALT FROM THE SHOE. IF THESE FIRST TWO ELEMENTS MATCH ONE – AND ONLY ONE - OF THE PRE-ARRANGED SETS' FIRST TWO ELEMENTS, YOU WILL BET THAT THE THIRD ELEMENT WILL BE THE SAME AS THAT PRE-ARRANGED SET'S THIRD ELEMENT.

HERE ARE SOME EXAMPLES:

PPP PBP BBP BPB BB? -- HERE WE SEE THAT THE FIRST TWO ELEMENTS MADE FROM THE SHOE ARE “BB.” WE SEE THAT THERE IS A “**BBP**” IN THE PRE-ARRANGED GROUP OF 4 SETS. WE WOULD **NOW BET “P”** TO MATCH THAT SET. NOTICE THERE IS NO OTHER “BB_” SET AMONGST THOSE 4.

PPP PPB BPP BPB PB? -- HERE WE SEE THAT THERE ISN'T ANY “PB_” SET IN THE PRE-ARRANGED SETS BEFORE IT. WE DO NOT BET THE THIRD ELEMENT HERE – WE WAIT FOR SET 6 TO START.

IF YOU ARE NOT ABLE TO BET ON SET 5, SET 5 BECOMES THE 5TH DIFFERENT SET JOINING THE ORIGINAL 4 DIFFERENT SETS. **WE THEN BET ON THESE LAST 5 SETS TO MATCH** THE 6TH SET COMING.

PPP PPB BPP BPB PBP -- **NOW WE SEE 5 DIFFERENT SETS** - ALL ARE DIFFERENT! WE WILL BET THAT THE 6TH SET WILL MATCH ONE OF THESE 5. AGAIN – ONLY ON THE LAST ELEMENT IF WE CAN BET.

PPP PPB BPP BPB PBP PP? HERE THE NEXT 2 ELEMENTS DEALT ARE “PP.” WE CANNOT BET ON THE THIRD ELEMENT – WE CALL THIS A NO-BET SITUATION “N”

WHY? YOU ASK. BECAUSE THERE ARE 2 “PP” SETS AMONGST THE 5 DIFFERENT SETS BEFORE THESE HANDS. “PPP” AND “PPB” NOT KNOWING WHICH WILL MATCH, WE SHALL NEVER GUESS WHERE THERE IS A 50/50 SITUATION. THIS IS AN **AMBIGUOUS CASE** AND IS DEALT-WITH BY SIMPLY NOT BETTING.

THERE WILL BE A MATCH – NO DOUBT. THIS SET AND SERIES WILL SIMPLY MATCH AND BE DONE WITH BETTING-ON. IF A MATCH OCCURS WITHIN SET 5 OR 6, YOU WILL WAIT FOR SET 7 TO BE DEALT-OUT BEFORE PREPARING TO BET AGAIN.

WHETHER THERE IS A WIN OR NOT AMONGST THE 3 SETS THAT ARE DEALT – TOTTALLING 7 SETS INCLUDING THE 4 PRE-ARRANGED SETS – YOU WILL ALWAYS ALLOW 9 “B” OR “P” HANDS TO BE DEALT – WHICH TOTALS 3 NEW SETS; THUS 7 TOTAL SETS – BEFORE PREPARING TO BET AGAIN.

TO BET AGAIN, WE USE THE NEXT SERIES OF 4 DIFFERENT PRE-ARRANGED SETS ON OUR TEMPLATE. THE LAST BETS AND SETS ARE HISTORY AND NEVER TO BE DEALT WITH AGAIN.

THE TEMPLATE PORTION CAN BE RE-USED LATER-ON. THERE WILL BE 250 SETS – PRE-FABBED - IN THE APPENDIX FOR YOU TO USE. YOU SIMPLY RUN-THROUGH THESE 4 PRE-ARRANGED SETS AND START AGAIN. STARTING AGAIN WILL LIKELY BE A DAY IN THE FUTURE – NOT THE SAME SESSION.

YOUR NEXT PRE-ARRANGED SET WILL BE USED FOR SETS 4, 5 AND 6 THAT WILL BE DEALT FROM THE SHOE.

WE DO EXACTLY THE SAME AS WE DID WITH THE FIRST SERIES AND DEALT SETS ABOVE CONTINUOUSLY.

RECORD YOUR WINS AND LOSSES – INCLUDE “NO-BETS” AND MATCHES OF SETS YOU COULD NOT BET-ON WITH THIS METHOD. BESIDE THIS – FARTHER TO THE RIGHT – YOU CAN RECORD YOUR CASH AMOUNT IN DOLLARS [+\$10] OR UNITS [+1]

W = WIN

L = LOSS

N = NO BET POSSIBLE

M = MATCHED SET NOT BET-ON

THIS CAN BE RECORDED TO THE RIGHT OF EACH ENTIRE SERIES OF SETS YOU HAVE FINISHED. ONLY RECORD UP TO WHEN THERE IS A MATCH WITHIN THE SERIES. ANY FOLLOWING MATCHES OR MISSES WILL NOT BE COUNTED OR RECORDED – UNLESS ALL THREE MISS OR ARE A COMBINATION OF MISSES AND NO-BETS.

FOLLOWING IS AN EXAMPLE OF A FEW SETS

PPP BBB PBP BPB PBB BBB PPP – L W -\$10 +\$11

PBP BPB BPP PBB PPP PPP BBB – N W +\$10

PPP PBP BBB BBP BPP BBB PPP - N M

LLM_x BETS [LLM_x STANDS FOR “LOSS LOSS MATCH EXTRA”]

DON'T WORRY ABOUT THE MEANING – JUST UNDERSTAND THAT IF YOU HAVE TWO LOSSES IN A ROW – NO WINS AND NO MATCHES OF ANY KIND IN BETWEEN – YOU WILL INCREASE YOUR BETS BY 50% OF YOUR BASE BETS.

IF YOUR BASE BET IS \$10, YOU WILL BET \$15 AND UP ON THESE BETS.

THIS WILL BE AN UP WHEN LOSING AND DOWN WHEN WINNING BETTING PROCESS.

FOR THE \$10 EXAMPLE, YOU WILL INCREASE BY \$5 FOR EACH LOSS AND DECREASE BY \$5 FOR EACH WIN.

HERE IS AN EXAMPLE OF AN LLM_x SITUATION:

PPP PBB BPB BBP PBP PPB PPP – L L M

ABOVE THERE WERE TWO LOSSES – AS REGULAR BETS – IN A ROW. AFTER SEEING THESE TWO LOSSES, OUR NEXT BET WOULD BE \$15 THAT THE MATCH WOULD WIN.

WITH THESE BETS, WE ARE NOT ONLY BETTING THE LAST ELEMENT, WE ARE BETTING TO CATCH A MATCH [AN “M”]

TO DO SO, WE MAY NEED TO BET ON THE FIRST AND/OR THE SECOND ELEMENT AT TIMES. DEPENDING ON WHICH SET YOU ARE MATCHING, YOU MAY NEED TO MAKE 2 BETS OR 1 BET OR EVEN A FEW BETS IF THERE IS NO MATCH FOR A FEW SETS.

THE BETTING PROCEDURE FOR THE LLM_x ABOVE WOULD BE [+1.5 N N]

THIS MEANS THAT ON THE FIRST BET, WE WON. THE FIRST BET WAS MADE BECAUSE WE SEE THAT THERE ARE 4 "P" SETS ALREADY AMONGST THE SERIES. THESE ARE ALL OF THE "P" SETS THERE ARE. IF WE WANT TO WIN THE NEXT MATCHING SET, WE NEED TO BET THAT IT MIGHT BE "P" IN THIS CASE IT WAS AND WE WON. WHAT IF IT WASN'T?

PPP PBB BPB BBP PBP PPB BPB – L L M -----> ACTUALLY AN L L W - TECHNICALLY SPEAKING

HERE WE NEED TO BET THAT THE FIRST ELEMENT IS A "P" IN CASE A "P" COMES-OUT FIRST. IF A "B" IS OUT FIRST, THEN WE WOULD WAIT FOR THE NEXT ELEMENT TO ARRIVE. THIS IS BECAUSE WE CAN WAIT.

WE WANT TO SEE IF IT WILL BE A "BP" OR A "BB." ONCE THIS IS ESTABLISHED, WE BET THE THIRD ELEMENT TO MATCH AND IN THIS CASE WE WIN. [-1.5 N +2.0] THESE ARE UNITS BET IN THE BRACKETS. IN DOLLARS, IT WOULD LOOK LIKE THIS [-\$15 N +\$20]

IT IS RARE TO SEE MORE THAN 4 LOSSES IN A ROW. YOU WILL SEE AN AVERAGE OF ONE SUCH EVENT EVERY SHOE OR TWO. THE LOSSES MAY BE MORE THAN TWO IN A ROW. YOU MAY SEE:

L L L W

OR

L L L M

OR

L L L L M

THESE EXTRA BETS ARE ABOVE AND BEYOND ANY BETS YOU WOULD NORMALLY MAKE AT THESE POSITIONS. THEY COMPOUND YOUR BETTING IN THIS SENSE. YOU INCREASE YOUR LLM_x BETS SEPERATELY AND DIFFERENTLY FROM YOUR REGULAR - LAST ELEMENT – BETS.

IF YOU HAVE A RUN OF THREE LOSSES IN A ROW WHERE YOU HAVE LOST TWO OR MORE BETS IN A ROW TAKING YOUR COUNT TO – PERHAPS – THIS: [-1.5 -2.0 -2.5 +3.0] YOU WOULD BET BACKWARDS FROM THE WINNING 3.0unit BET – IN THIS CASE 2.5units – THE NEXT TIME YOU SEE AN "L L" OR LLM_x SITUATION. YOU DO NOT OPERATE THIS UP AND DOWN SEQUENCE OF BETS AMONGST YOUR REGULAR BETTING RUNS. YOU WAIT UNTIL YOUR NEXT SUCH EVENT TO DECREASE OR INCREASE YOUR WAGERS BY THE SUGGESTED AMOUNT [½ A UNIT EACH TIME]

THIS IS IT FOR THE SYSTEM. YOU WILL WIN. YOU DO NOT HAVE TO LEAVE DOWN. YOU SHOULD ALWAYS LEAVE UP AND RETURN TO START FRESH LATER.
